

Fraud Transaction Detection

Wireframe Documentation

Homepage

We have divided credit card fraud detection System's Homepage into Two Sections: -

1. First thing anyone will see is a pop-up window on the Homepage which will ask for User Inputs.

1.1- Click on this URL <https://creditcard-fraud-tranaction.herokuapp.com/>

The wireframe shows a dark blue background with the title "Fraud Transaction Detection" in white. Below the title, there are eight input fields, each preceded by a label. The first field is labeled "Time :" and has a placeholder "Enter time in seconds" and a small icon. The subsequent seven fields are labeled "Second value :", "Third value :", "Fourth value :", "Fifth value :", "Sixth value :", "Seventh value :", and "Eighth value :". Each of these fields has a placeholder "enter 2", "enter 3", "enter 4", "enter 5", "enter 6", "enter 7", and "enter 8" respectively. The input fields are dark red with white text.
